

Professional solutions for window cleaning

Everything you need for effective cleaning
of windows, glass panels and other smooth
surfaces – designed for professional use.

A close-up photograph of a person's hand holding a professional-grade squeegee and cleaning a glass window. The squeegee is silver and black, and the hand is wearing a white bandage on the index finger. The window is covered in water droplets, and the background is a blurred green landscape. The overall image has a bright, clean aesthetic.

The Vikan
system offers
great flexibility

The handle
is made from
recycled
polypropylene

New professional-grade window squeegee

The new Vikan window squeegees combine high cleaning efficiency with a long service life. The worn rubber blade can be easily replaced, so you only need to replace the part that is worn.

- ✓ Effective water removal for streak-free windows
- ✓ Replaceable rubber blade for a longer service life
- ✓ The handle can be easily adjusted on the rail
- ✓ Can be fitted to Vikan handles with our adapter for greater reach
