

NEW

Window Squeegees

for a streak-free finish

Two sizes
for different
cleaning
tasks:

250 mm
for smaller
and narrow
surfaces

350 mm
for larger
glass
surfaces

The new Vikan Window Squeegees are designed for efficient cleaning of windows, glass partitions, mirrors and other smooth surfaces.

The rubber blade effectively removes water from the surface, leaving a clean, streak-free finish.

Efficient cleaning

Effectively removes water for a clean, streak-free finish.

Replaceable rubber blade

Replace only the rubber blade when worn – helping to extend the service life of the squeegee.

Adjustable grip

The grip can easily be adjusted along the rail to suit the cleaning task.

Extended reach

With Vikan cone adapter 282904, the squeegee can be fitted to any Vikan threaded handle.

Choose the right size for the task

47709
